

## **CUMIS® Home Insurance**

**Are you a responsible homeowner?** CUMIS is dedicated to credit unions and their members, and shares your commitment to put members first by providing competitive insurance coverage with exceptional service. Their unique claims counselling service+ ensures that you can ask questions about a potential claim with no impact on your rates.

CUMIS home insurance shelters you from financial loss due to theft, unforeseen events and personal liability that may occur if someone is injured while visiting your home; it can also protect against liability for accidental damage to someone else's property.

### Features of our program
