

CUMIS® Home and Auto Insurance

Are you a good driver and responsible homeowner? The CUMIS Home and Auto Insurance Program offers exceptional coverage designed to meet the unique needs of credit union members.

The CUMIS auto insurance program protects you if your car is stolen or damaged as the result of an accident. In addition, CUMIS takes care of expenses if you're involved in an accident including: medical treatment and care, possible legal costs, property damage and lost wages.

CUMIS home insurance shelters you from financial loss due to theft, unforeseen events and personal liability that may occur if someone is injured while visiting your home; it can also protect against liability for accidental damage to someone else's property.

By grouping your home and auto insurance together, CUMIS can offer you exceptional discounts.*

CUMIS is committed to delivering excellent client service personalized for credit union members. They are always ready to answer your insurance questions and should a problem arise, you will receive expert claims advice without fear of consequences if you decide not to proceed.
