

CUMIS Special Equity Fund (Ethical)

INVESTOR PROFILE

Suitable for investors seeking exposure to high-quality, smaller-sized companies with higher growth potential.

INVESTMENT OBJECTIVE

The Fund aims to increase the value of your investment over the long term by investing mostly in common shares of Canadian small capitalization or “small cap” corporations listed on a stock exchange. It follows a socially responsible approach to investing.

INVESTMENT STRATEGY

- The fund invests in high-quality, smaller-sized companies with higher growth potential.
- An Ethical Funds investment gives you a voice in changing a company – the way it makes decisions and the way financial markets assess its performance. The Ethical Funds Company focuses attention on a company’s social, environmental, and human rights practices, and uses shareholder action strategies – proxy voting, shareholder resolutions and dialogue – to help them think for the long term. We also stay away from companies involved with tobacco, weapons and nuclear power.
